COMMENTS:

This bill would give the Franchise Tax Board (FTB) the authority to administer and collect a local income tax where voters approve the tax.

This bill also would add provisions regarding public safety finance agencies and property taxes.

The August 29, 2003, amendments add clarifying language to the provisions relating to property taxes. These changes would not impact the department. The remainder of the department's analysis of the bill as amended August 18, 2003, still applies.
